Six weeks to rediscover mission
and re-imagine church

freshexpressions.org.uk/missionshapedintro

Taking you on a creative and reflective journey looking at the need for new ways of being church.

About *mission shaped intro* Recommendations

New world, new church? Our world and our lives change at an ever faster pace, but how does the church respond to this change? Are new ways of being church possible? If so, what might they look like?

msi features six 90- or 120-minute sessions which include creative activities, film clips, presentations, discussion, worship and prayer. It is ideal for those starting from scratch as well as those who have attended a *vision day* or who are thinking about joining the *msm* course.

Course outline

The course sessions are:

- rediscovering mission and what that means for the church
- changing world, changing church
- re-imagining church: community
- re-imagining church: worship
- re-imagining church: discipleship and leadership
- where do we go from here?

“A fantastic and easy to use tool for missional thinking for every church community. The chance to re-imagine so many different facets of life is something that every church should make full use of.”

Jeff Reynolds, Methodist Mission Enabler

“Gets to the heart of understanding about mission - incarnation. It is a great way to help people change their mindset and grasp the impact of culture on mission today.

Rachel Jordan, Church of England Adviser for Mission and Evangelism
