## Summer Plan

During September we are following the Methodist Church programme for **Bible Month**. If you see Col 1, 2, 3 or 4 on the plan that indicates a service in connection with this. A good number of our preachers have spent time working on the letter to the Colossians in order to enable this and I am grateful for their work. You may find you have a united service with a neighbouring church one week because we couldn't supply preachers who had done the preparation for every church and in a small number of cases with Col 3 & 4 you may find the initials CP. Andy Fishburne has produced resources for leading these in a similar way to the Prayer 1,2,3 resource that we had earlier in the year. Thank you Andy. If you want the full pack as produced by the Connexion you can access a free download on [www.preachweb.org/biblemonth](http://www.preachweb.org/biblemonth)

Bible Month invites churches and groups to engage deeply with Scripture through focusing on a single Biblical book over a calendar month. Bible Month can involve preachers, small group leaders, and children and youth workers, who can all take part in running Bible Month within the church. The Bible Month resources are designed to work within both group settings – such as a church, a group of churches or a home group – and to be useful for individual study.

Colossians gives us a unique insight into the religious mix of Asia Minor in the second half of the first century. And also into some of the challenges which the first Christian churches experienced as they sought to establish themselves in such contexts.

I trust we will benefit from this study as we seek to face the challenges of our context.

Every blessing,

Rev Richard Hall

Methodist Church in the Isle of Man
