

## Introducing Cliff Local

Sponsored by The Methodist Church, and in partnership with the Learning Network, Cliff College is looking forward to resourcing your mission and ministry through our new initiative **Cliff Local**.

What previous Cliff Local participants have said: *“Excellent teaching”, “Dynamic & challenging”, “Engaging, with lots of food for thought”, “Thought provoking input”, “Great discussions”, “I got to know my own people a lot better”, “Relevant to our situation”.*

Cliff Local is a year long process, which includes teaching input offered by Cliff College, and questions to reflect on supported by the regional Learning Network team. Cliff Local is designed to strengthen mission and ministry in your area, and facilitate the development of a locally networked ‘community of practice’ of lay leaders. Is Cliff Local for you?
