Letter from our District Chair

Dear Friends,

Welcome to the preaching plan for the summer quarter. You will see that we have had to put in a few more CPs than normal and that you have one or two extra united services. August is always a challenging month to plan, especially in a year when there are staff changes taking place. However, this is also symptomatic of the reality of having 29 churches to plan for. This is particularly true when 20 of those churches all have their main service at roughly the same time on a Sunday morning.

At the risk of repeating myself, for one last time before I leave you, this cannot go on. Methodist Conference this year will consider changing the minimum size of a congregation from six to twelve and in all probability will make that decision. We can see this as a threat or as an opportunity to be creative in our use of our resources.

There is increasing pressure to consider how we use our resources for the sake of the planet. The generation which we so often say we are trying to attract will not understand why we need so many buildings for so few people. Whenever I take part in a united service people tell me how lovely it is to be part of a large group of folk worshipping God together.

All we need to do is be prepared to let go of our attachment to particular buildings in order to achieve this every week, along with less strain on our preachers, both lay and ordained, lifting the burden from stewards and other officers who feel a real responsibility to keep the show on the road and releasing energy and resources for mission.

We will be praying for you all as Ruth and I settle into a new pattern of life in the UK and particularly praying for Janet as she comes to take up the ropes.

Thank you for your support over the nine years that we have been with you. God has a plan for your future. The appropriate prayer for this time is "Lord take us from where we are to where you want us to be". I pray you will have the courage to pray it and then take the steps that will lead to growth.

God Bless,

Standing Order 563 (v and vi)
 It is the duty of Local Preacher
 (v) to fulfil all appointments given on the Circuit Plan;
 (vii) if unable to fulfil an appointment, to arrange for a suitable substitute, informing the Superintendent and a Church Steward of the local church concerned.
Churches are kindly requested to contact the appointed preacher a week before the service to discuss the current nature of the congregation and any particular worship requirements.
