## Tackling Climate Impact, Equality and Justice

An evening with Chine McDonald of Christian Aid

...and Judith Ley

***A not-to-be-missed, challenging, thought-provoking opportunity to hear this amazing speaker for anyone interested in the environment, equality and justice.***

Chine McDonald, author, regular speaker on BBC Radio 4, Greenbelt trustee, and Head of community fundraising & public engagement at Christian Aid, is visiting the Island to speak at the Manx Museum.

The first part of the evening will look at the real impacts of our changing climate with case studies, as well as the up-and-coming global climate COP26 forum.

After a fairtrade break, Judith Ley will lead a conversation session with Chine, exploring issues of injustice and inequality, delving into her books, and followed by an opportunity to ask questions.

No charge is made but donations to Christian Aid would be welcome.
