Dear Chapel Members,

Owing to a misunderstanding on my part of Ferncroft Environmental's quote for the Survey for Asbestos in all the Chapels, the costings I quoted in the Synod notes are incorrect it should have read £325+VAT and £15 for each sample.

The £325 is the survey plus the report which each Chapel will receive and the VAT will be 20% because they are no alteration to the building. I am sorry for the mistake and I will be writing to Kelly Trust to see if they will still pay 50% of the cost.

Blessings to you all

Pat Costain (Senior Circuit Steward)
